GROW FOR VICTORY

ALL WEATHER BEGONIA VIKING™

A top performer to grow for victory! Meet the Viking series. Viking trials all over Europe are proving just how great these series are!

The 3 Viking series are perfect for adding vibrant colour to outdoor spaces. Viking Begonias are available in green, bronze and breakthrough chocolate leaf. Chocolate-leaved is unique in this class and has the most intense, darkest leaves under all conditions. Continuous flowering and a range of colours, make this spectacular hybrid Begonia an exciting invasion on the market!

MEET THE 3 VIKING™ SERIES

VIKING™

Begonia Viking™ is excellent for large containers and landscaping.

VIKING™ XL

The extra vigorous Viking™ XL series is developed for use in large showy garden containers and as an optimal landscaping performer.

VIKING™ EXPLORER

Viking™ Explorer thrives in balcony boxes, containers, hanging baskets and bowls and has a huge advantage in lower light conditions.

EXTREMELY ATTRACTIVE HANGING FROM BALCONIES

This **winner** became Pflanze des Jahres in Sud Tirol in 2024, made it into the Top 10 at Emsflower Trial Garden and outperformed many other species in trials at Veneto Agricoltura. Trials confirm Explorer as easy to care for, robust and extremely attractive hanging from balconies, even at walls facing north.
